Magothy Windows
899 Pine Trail
Arnold, Maryland 21012

Dear David and Paul,

On behalf of Jack and myself, I want to thank you both for our new windows. We are very impressed by the quality of work that was done and the finished product. Not only do the windows look great but it was noticeably more quiet in the house and there were no more drafty rooms.

We highly recommend Magothy Windows and will let others know how much you care about your product and your customers. It was a pleasure doing business with you.

Sincerely,

Lucy Etzel
